Mr Jon Fuller
Climate Genocide Act Now
[redacted]

3rd December 2019

Dear Mr Fuller,

Thank you for your correspondence dated 30th November 2019 in which you request a criminal investigation be commenced in relation to crimes against humanity and genocide.

I have taken into consideration the contents of your referral. In order to progress any such investigation it would be necessary to prove on the part of those accused a specific intent to commit the above-mentioned crimes. In the case of genocide this would be an intent to destroy, in whole or in part, a national, ethnical, racial or religious group. In the case of crimes against humanity it would be an intent to carry out any of the crimes listed under Schedule 8 Article 7 of the International Criminal Court Act 2001. Having regard to the material you have provided, the evidence of that specific intent is not present.

I regret to inform you that the SO15 War Crimes Team will not be commencing a formal investigation and no further action will be taken.

Yours sincerely

Detective Sergeant Glenn Bacon
